BUILDING PERMIT INSPECTION PROCEDURES
Please call 874-8703
or email: buildinginspections@portlandmaine.gov

**Check the Status of Permit or Schedule an Inspection at
<http://www.portlandmaine.gov/planning/permitstatus.asp>**

With the issuance of this permit, the owner, builder or their designee is required to provide adequate notice to the City of Portland Inspections Division for the inspections listed below. Appointments must be requested 48 to 72 hours in advance. The inspection date will need to be confirmed by this office.

- **Please read the conditions of approval that are attached to this permit.**
- **Permits expire in 6 months if the project is not started or ceases for 6 months.**
- **If the inspection requirements below are not followed, then additional fees may be incurred due to the issuance of a "Stop Work Order" and subsequent release to continue.**
- **Per Section 107.3.1 of the Maine Uniform Building and Energy Code (MUBEC), one set of printed approved stamped construction documents will be kept at the site of work and open to inspection by building officials.**

REQUIRED INSPECTIONS:

Final Inspection

Final - Electric

The project cannot move to the next phase prior to the required inspection and approval to continue.

If the permit requires a certificate of occupancy, it must be paid and issued to the owner or designee before the space may be occupied.
