Ben,

Now that the elections are over I can get back to business!

I received a letter from the PFD requiring me to install fire doors in my 3-family.

Here is the plan of action I agreed to with you on 10/27/08:

By 10/27/2009: Install fire doors on apartments 1 & 2 (front)

By 10/27/2010: Install fire doors on apartment 3 (front) and basement door

By 10/27/2011: Install fire doors on apartments 1 and 2 (rear)

By 10/27/2012: Install fire door on apartment 3 (rear).

Hope this schedule meets with your recollection of our agreement.

If you have questions or concerns please call me at the numbers below.

Best,
Sive
