Fire Prevention Officer  
City of Portland, Maine  
Headquarters Fire Department  
380 Congress Street  
Portland, Maine 04101

Re: 23 Emerson Street

Dear Lieutenant McDougall:

We received the notification concerning one hour fire rated doors for common areas for the premises at 23 Emerson Street, Portland, Maine. I spoke to you about this on the phone. We plan to install one door or will close up the opening with fire rated sheetrock at the rate of one opening per year as per our conversation.

Sincerely,

*E. Ronald Leighton*
