

To whom it may concern,

I am beginning the application process for the demolition and subsequent rebuilding permit for the single family property that I own located at: 67 Merrill Street, Portland, Maine. 04101.

I am writing to confirm that it is my intention to reuse the existing sewer line during the reconstruction of the new structure, and that the reconnection of the new sewer line will be executed within six months of the existing sewer being sealed.

Yours sincerely

A handwritten signature in black ink, appearing to read "Walt Juve", with a long horizontal flourish extending to the right.

Walt Juve (property owner)
