No, we cannot confirm time. It takes an average of 30 business days for typical permits to go through the process. Once the permit has gone through the approval process, the permit will be issued to the e-mail address on record. Please see attached.

Good Morning City of Portland Building Inspections:

I have looked online and it appears that the building permit application for permit # **201600420** is in review with Building Inspections and that the Zoning department has approved the application. Can you please confirm the timing on the building permit being issued for T-Mobile's equipment upgrade at 340 Eastern Promenade.

Thank you,

We received your payment; thank you.

Now that payment has been made, the permit will begin the review process. Once the permit has been issued, it will be delivered to the e-mail address on record. For your convenience, you can review

permit status on line: <http://www.portlandmaine.gov/792/Permit-Status> (Please reference the address or Permit ID # notated on the invoice.)

This is not an approval of your permit. Work cannot commence until the permit is issued.
Your receipt is attached.

>>> Building Inspections 2/24/2016 9:28 AM >>>

The Inspections Division has received your application, has done a preliminary completeness check of your documents and entered the application in our system. Payments can be made by mail, in person, or online at [Pay your Invoice](#)

Please reference the Application ID number when submitting your payment. This number is found at the top of your invoice.

Your total amount due is: **\$ 564.00.**
