Electronic Signature and Fee Payment Confirmation

Notice: Your electronic signature is considered a legal signature per state law.

By digitally signing the attached document(s), you are signifying your understanding this is a legal document and your electronic signature is considered a **legal signature** per Maine state law. You are also signifying your intent on paying your fees by the opportunities below.

I, the undersigned, intend and acknowledge that no permit application can be reviewed until payment of appropriate permit fees are **paid in full** to the Inspections Office, City of Portland Maine by method noted below:

- Within 24-48 hours, once my complete permit application and corresponding paperwork has been electronically delivered, I intend to **call the Inspections Office** at 207-874-8703 and speak to an administrative representative and provide a credit/debit card over the phone.
- Within 24-48 hours, once my permit application and corresponding paperwork has been electronically delivered, I intend to **hand deliver** a payment method to the Inspections Office, Room 315, Portland City Hall.
- I intend to deliver a payment method through the U.S. Postal Service mail once my permit paperwork has been electronically delivered.

Applicant Signature:

Date: December 16, 2013

I have provided digital copies and sent them on: December 16, 2013

Date: December 16, 2013

NOTE: All electronic paperwork must be delivered to buildinginspections@portlandmaine.gov or by physical means ie; a thumb drive or CD to the office.

Commercial Interior & Change of Use Permit Application Checklist

All of the following information is required and must be submitted. Checking off each item as you prepare your application package will ensure your package is complete and will help to expedite the permitting process.

One (1) complete set of construction drawings must include:

Note: Construction documents for costs in excess of \$50,000.00 must be prepared by a Design Professional and bear their seal.

- Cross sections w/framing details
- Detail of any new walls or permanent partitions
- Floor plans and elevations
- Window and door schedules NOT APPLICABLE
- Complete electrical and plumbing layout.
- Mechanical drawings for any specialized equipment such as furnaces, chimneys, gas equipment, HVAC equipment or other types of work that may require special review SEE ATTACHMENT
- Insulation R-factors of walls, ceilings, floors & U-factors of windows as per the IECC 2009
- Proof of ownership is required if it is inconsistent with the assessors records. NOT APPLICABLE
- Reduced plans or electronic files in PDF format are required if originals are larger than 11" x 17".
- Per State Fire Marshall, all new bathrooms must be ADA compliant.

Separate permits are required for internal and external plumbing, HVAC & electrical installations.

For additions less than 500 sq. ft. or that does not affect parking or traffic, a site plan exemption should be filed including: No change to existing building envelope - however, survey is included (see Drawing A-2)

- The shape and dimension of the lot, footprint of the existing and proposed structure and the distance from the actual property lines.
- Location and dimensions of parking areas and driveways, street spaces and building frontage. NA
- Dimensional floor plan of existing space and dimensional floor plan of proposed space.

A Minor Site Plan Review is required for any change of use between 5,000 and 10,000 sq. ft. (cumulatively within a 3-year period) No change of use.

Fire Department requirements.

The following shall be submitted on a separate sheet: **See Code Analysis on Drawing A-1**

- Name, address and phone number of applicant **and** the project architect.
- Proposed use of structure (NFPA and IBC classification)
- Square footage of proposed structure (total and per story)
- Existing and proposed fire protection of structure.
- Separate plans shall be submitted for **See drawings and attached CaptiveAire drawing package**
 - a) Suppression system
 - b) Detection System (separate permit is required)
- A separate Life Safety Plan must include: **See Code Analysis on Drawing A-1**
 - a) Fire resistance ratings of all means of egress
 - b) Travel distance from most remote point to exit discharge
 - c) Location of any required fire extinguishers
 - d) Location of emergency lighting
 - e) Location of exit signs
 - f) NFPA 101 code summary
- Elevators shall be sized to fit an 80" x 24" stretcher. **Not applicable**

For questions on Fire Department requirements call the Fire Prevention Officer at (207) 874-8405.

Please submit all of the information outlined in this application checklist. If the application is incomplete, the application may be refused.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information or to download copies of this form and other applications visit the Inspections Division on-line at www.portlandmaine.gov, or stop by the Inspections Division office, room 315 City Hall or call 874-8703.

Permit Fee: \$30.00 for the first \$1000.00 construction cost, \$10.00 per additional \$1000.00 cost

This is not a Permit; you may not commence any work until the Permit is issued.

General Building Permit Application

If you or the property owner owes real estate or personal property taxes or user charges on any property within the City, payment arrangements must be made before permits of any kind are accepted.

Address/Location of Construction: 90 Congress Street, Portland Maine		
Total Square Footage of Proposed Structure: 869 SF (Interior)		
Tax Assessor's Chart, Block & Lot Chart# Block# Lot# 016 A006002	Applicant Name: Neil Reiter Address PO Box 275 City, State & Zip Brooklin, ME 04616	Telephone: 207-359-4950 Email: nreiter@juno.com

This is not a permit; you may not commence ANY work until the permit is issued.

Certificate of Design Application

From Designer: Reiter Architecture & Design

Date: December 16, 2013

Job Name: 90 Congress Street Restaurant

Address of Construction: 90 Congress St., Portland, Maine

2009 International Building Code

Construction project was designed to the building code criteria listed below:

This is an existing building - condominium with 88-90 Congress Street (#88 is Rosemont Market). No change to use or exterior envelope. See Code Analysis on Drawing A-1. See Structural Drawings S-1 & S-2.

Building Code & Year 1972 Use Group Classification (s) B (restaurant, under 50 seats)

Type of Construction Existing Building: masonry exterior bearing walls, interior non-bearing wood stud partitions assumed to be sim. to Type 3A or 3B

Will the Structure have a Fire suppression system in Accordance with Section 903.3.1 of the 2009 IRC No

Is the Structure mixed use? yes (retail food Market is in other half of bldg.) Yes, separated or non separated or non separated (section 302.3) 1 hour rated gyp. partition between spaces

Supervisory alarm System? No Geotechnical/Soils report required? (See Section 1802.2) NA (no new additions or changes to structure)
