RE: Three Phase Service, 118 Congress Street, Portland, Maine

Dear Mr. Theriault,

This letter is to advise you Central Maine Power has three phase electrical service in the area to serve the subject project.

Once the project is accepted by the City of Portland, the owner will need to call our Customer Service Center at 1-800-565-3181 to sign up for a New Account and a Work Request Order so we may provide an actual cost.

I will need to know what size service and voltage the Customer will be requesting.

If you have any questions please feel free to call me at 828-2882.

Sincerely,

Paul DuPerre
