Hi Chris,

It is on private condo property, but we received permission during their last condo meeting, pending we receive the permit from the city. I have CC'd one of the owners of the building on this email for reference.

Thanks,
Amelia

Hi Amelia,

I am looking at your application for a sidewalk sign now. Apologies for the delay in our review. I did have one question - it looks like the proposed sign location is actually going to be on the private condo property rather than on the city-owned sidewalk. Would you be able to get an e-mail or letter of permission for the new sign from the owner of your unit, and e-mail it to me?

Thanks,
Chris
