Memorandum from Department of Building Inspection, Portland, Maine

Amend.#1 - 104 Congress St.

July 31, 1964

Mr. Michael DeCourcy
104 Congress Street

Dear Mr. DeCourcy:

Permit to construct a 2-story enclosed entrance porch 4'x9' on side of dwelling as per your plan is being issued subject to compliance with the following:

1. It is necessary that the second floor studs be carried down to the double 2x4 inch girt plate at the first floor ceiling level and that the first floor joists be spiked to the sides of these studs. It will also be necessary that the space between the second floor studs be firestopped with not less than 1-inch boards at the second floor level.
2. It is necessary that the jack studs supporting the double 2x4 inch window header be continuous to the double 2x4 inch girt plate at the first floor ceiling level.
3. It is understood that the 2x4 inch rafters span the 4 foot direction of this porch roof.

Very truly yours,

Gerald E. Hayberry
Deputy Building Inspection Director

A.7.-104 Congress St.

July 15, 1964

Mr. Michael DeCoursey
104 Congress Street

Dear Mr. DeCoursey:

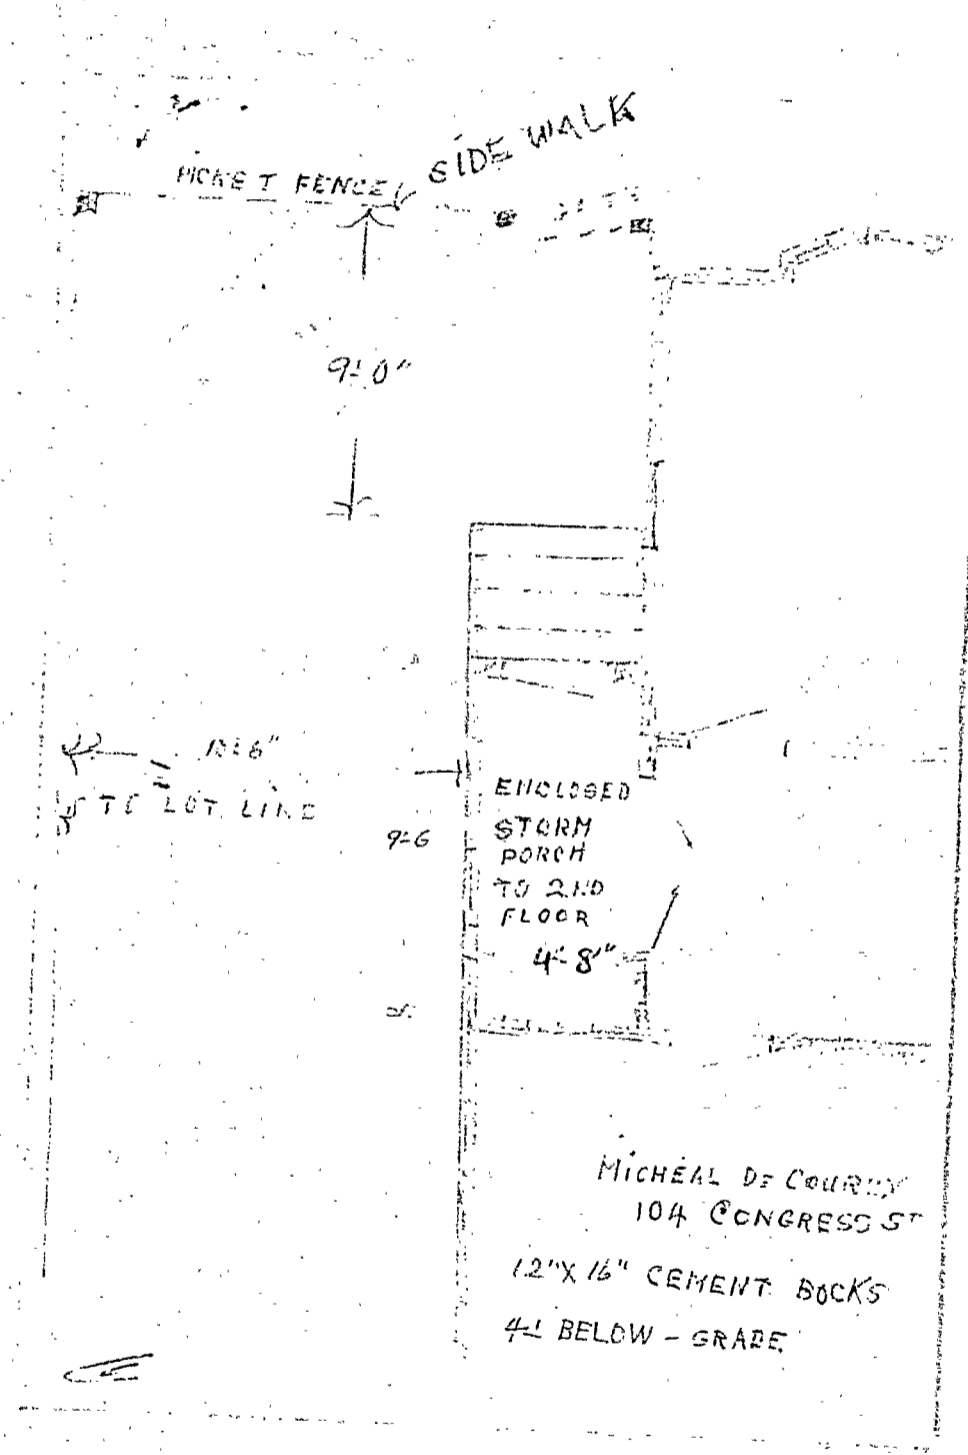

Permit to construct a 12-inch concrete block foundation only for a proposed 2-story addition 4'-8" x 9'-6" at the above location is being issued subject to compliance with the following:

1. No work is to be started above the foundation until a permit has been received to cover this work. It will be necessary for you to furnish information as to the framing of this addition at the time you make application to do this work.
2. There will need to be a poured concrete footing under the 12-inch concrete block wall not less than 14 inches wide and at least 8 inches in thickness.
3. Not less than $\frac{1}{2}$ inch anchor bolts will need to be set in this foundation to receive a minimum of a solid 4x6 inch sill unless a box sill is to be used. These anchor bolts are to be placed at not over 6 feet on centers and at the corners.
4. When the footing is formed and ready for concrete, this office is to be notified to give a form inspection.

Very truly yours,

Gerald E. Mayberry
Deputy Building Inspection Director
