Re: Fiber Optic Switching Facility  
Atlantic Street

Dear Review Committee Members:

New England Telephone & Telegraph Company d/b/a Bell Atlantic is a self-insured corporation doing business in the State of Maine. Bell Atlantic has built and operates several hundred similar telephone switching facility sites throughout Maine.

Bell Atlantic finances its own projects and is responsible for completing this project to the satisfaction of the City of Portland Planning Department.

If further information is required regarding this matter, please contact me at 797-1785.

Sincerely,

A handwritten signature in black ink that reads "Troy F. McDonald".

Review Committee  
City of Portland  
389 Congress Street  
Portland, Maine 04101

Dear Review Committee Members:

Enclosed please find written materials and supporting documentation related to Bell Atlantic's request for minor site plan review and approval of a project on Atlantic Street. This project involves the location of a pre-cast, poured-concrete, fiber optic switching terminal on a private property easement.

A copy of the easement option is included, as granted to Bell Atlantic by George W. Lane, Jr. The easement site is further identified as a portion of Lot #6, Block D, of Map 16.

Photos of a similar terminal are included here, although the property owner has selected a light gray, shingle-type vinyl siding with gray shingles on the pitched roof. The structure is eleven (11) feet wide by eighteen (18) feet long by eight (8) feet high upon delivery to the site.

Also enclosed for your review are the building and site plans. The site plan was developed by Registered Professional Engineer Michael Deletetsky (No. 5023) and Registered Land Surveyor Jerome Watts (No. 1245) of Oest Associates, Inc., 343 Gorham Road, South Portland.

It is important to note that there will be no overhead electrical or telephone cables associated with this terminal. The only exterior lighting will be a single, 75-watt fixture. There will be no water or sewer requirements or hook-ups. The terminal creates no emitants, and the only noise is that of an air conditioner which runs only when the interior temperature exceeds specific limits. Following construction, telephone company craft vehicles will visit the site on an average of once or twice per week.

We hope that in reviewing this project, you will recognize that this fiber optic switching terminal is a valuable part of Bell Atlantic's ongoing effort to provide the latest in telecommunication technology to Portland's expanding residential and commercial customer network.

Thank you for your time and consideration of this project. If you have any questions, please feel free to call me at 797-1785.

Sincerely,

A handwritten signature in blue ink, appearing to read "Troy F. McDonald". The signature is stylized and written in a cursive-like font.

Troy F. McDonald  
Manager-Right of Way

## WRITTEN STATEMENT

### **LOT USAGE**

The lot is currently vacant. The proposed project is a fiber optic switching facility. The 11' x 18' precast concrete building houses telephone switching equipment used to enhance and expand the existing phone network throughout the area Atlantic Street and Congress Street vicinity.

### **LAND AREA**

The total land area being utilized by Bell Atlantic is the easement area of 1,612 square feet. The building itself is 11' x 18', and will be set onto a prepared gravel and crushed rock base that is 15' x 23'.

### **EASEMENTS**

New England Telephone & Telegraph Company d/b/a/ Bell Atlantic is being granted an easement for the 1,612 square feet needed to build this site. There are no other recorded easements on this lot.

### **SOLID WASTE**

There is no solid waste generated by this facility.

### **OFF-SITE FACILITIES**

The site will be accessed by Atlantic Street for the average of one or two visits per week required by Bell Atlantic. There is no water or sewer associated with this site.

### **SURFACE DRAINAGE**

The surface water that enters this site moves generally in an easterly direction. The site is being graded to allow the water to flow in the same direction with the driveway being the exception in that it will flow to Atlantic Street. The site will have silt fence erected and maintained during construction to control the quality of runoff until the site is completed.

### **CONSTRUCTION PLAN**

The site will be excavated for the placement of underground duct bank and for the immediate building placement area. Subject to your approval, this work is scheduled to be done in late October. Following placement of the pre-cast concrete building and the installation of telephone and electric service, a residential-type facade and pitched roof will be added. Landscaping will be added to enhance the appearance of the site. That work is scheduled for the Spring of 1999.

**REGULATORY APPROVAL**

The site is not subject to any State or Federal regulatory approvals.

**EVIDENCE OF FINANCIAL-TECHNICAL CAPACITY**

See enclosed letter.

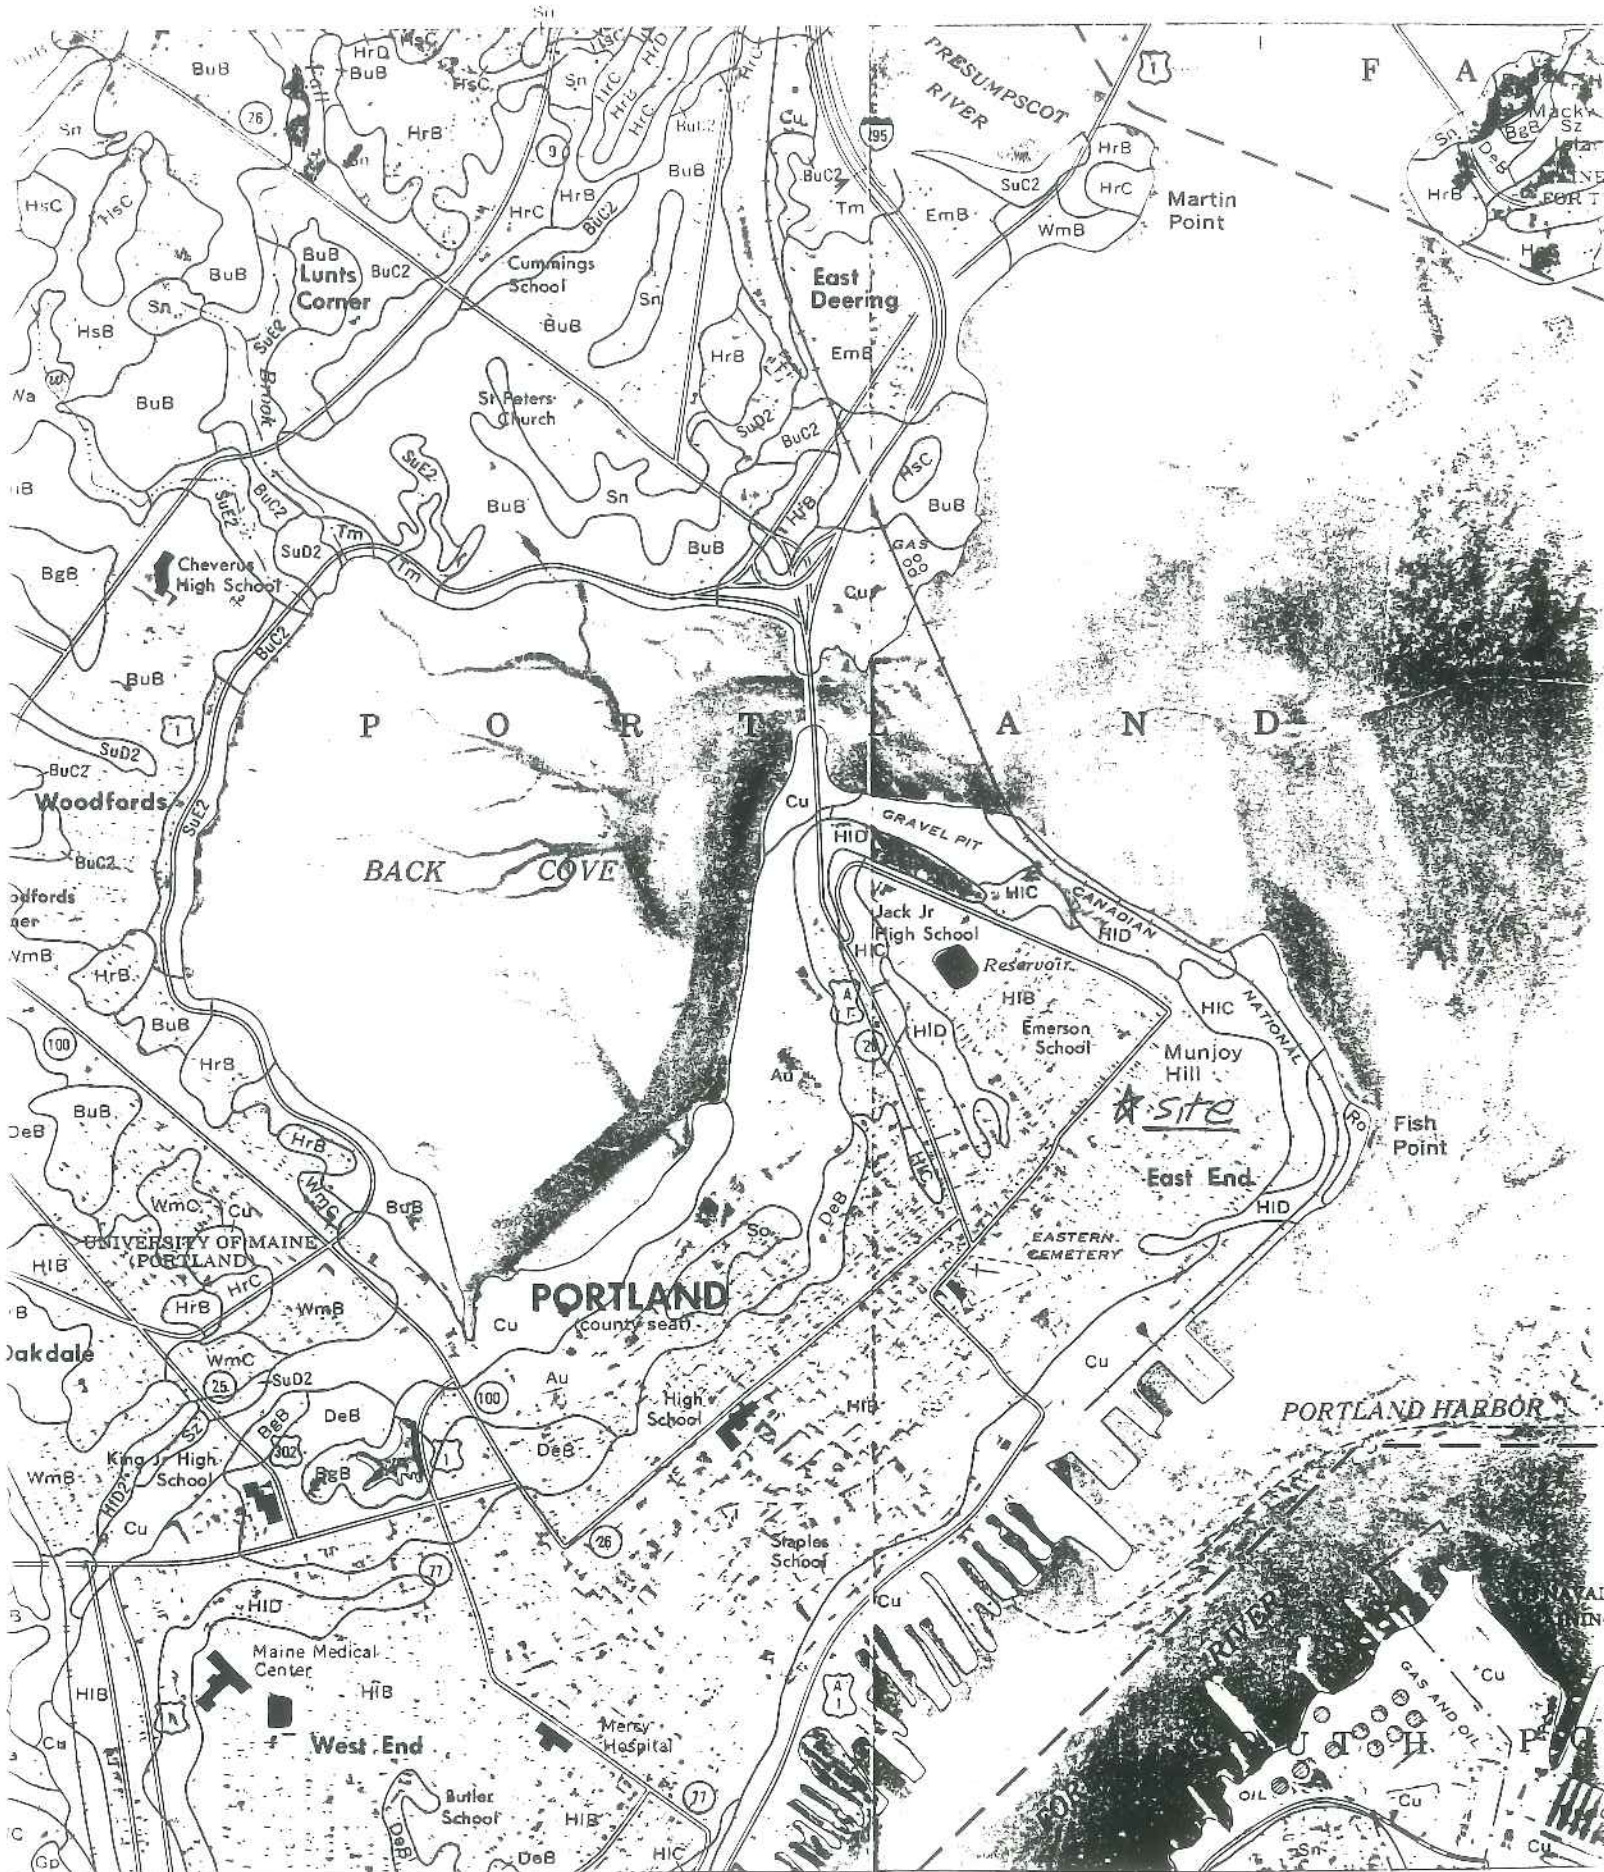

**APPLICANT'S TITLE TO SITE**

See enclosed Easement Option.

**DESCRIPTION OF NATURAL AREAS**

There are no known unusual natural areas, wildlife or fishery habitats or archeological sites on or near the project site.

## EASEMENT OPTION

For and in consideration of the sum of One Dollar (\$1.00) and other valuable considerations, a non-refundable amount, to me paid by New England Telephone and Telegraph Company, a corporation duly organized under the laws of the State of New York, whose address is 125 High Street, Boston, Massachusetts, 02110, the receipt of which is hereby acknowledged, I, George W. Lane, Jr., of Scarborough, Maine, hereby agree that we *shall grant* unto said Company, its successors and assigns, the right and easement to place and maintain underground communication cables, conduits and appurtenances along with an eleven (11) foot by eighteen (18) foot pre-cast concrete building upon an easement over a parcel of land located on the southwesterly sideline of Atlantic Street, in the City of Portland, Cumberland County, Maine, bounded and described as follows: Beginning at a point, being a 5/8-inch rebar set on the southwesterly sideline of said Atlantic Street at the most northerly corner of land of the Grantor and the most easterly corner of land, now or formerly of Lee L. Staples and Irene M. Staples as described in Book 4541, Page 163; thence, S 40-26-24 E, along the southwesterly sideline of said Atlantic Street, 31.00 feet to a 5/8-inch rebar set; thence, S 49-33-36 W, through land of the Grantor, 52.00 feet to a 5/8-inch rebar set; thence, N 40-26-24 W, through land of the Grantor, 31.00 feet to a 5/8-inch rebar set on the southeasterly line of land of said Staples; thence, N 49-33-36 E, along said land of said Staples, 52.00 feet to the point of beginning. The above-described easement area contains 1,612 square feet, more or less. Bearings are based on observed magnetic north, dated July, 1998. All rebars set are capped, "OEST 1245."

Said easement is further described as being a portion of Map #16, Block D, Lot #6, as identified by the Assessors Maps for the City of Portland, County of Cumberland, and State of Maine, and as a portion of land owned by George W. Lane, Jr., as described in Book 3308, Page 40, of the Cumberland County Registry of Deeds. Further reference is made to a plan by Oest Associates Inc., of South Portland, Maine, entitled, "Standard Boundary Survey - Fiber Optic Switching Facility, Located on Property of George W. Lane, Jr., Atlantic Street, Portland, Maine," dated July, 1998.

Further rights are herein granted to construct, place and maintain a grounding system consisting of ground rods, mats, and/or wells for protection of said telecommunication equipment. The right to cut trees, trim brush and grade said easement area is also granted with permission to enter upon my property for the above purposes.

Further rights are herein granted to Central Maine Power Company, a corporation duly organized under the laws of the State of Maine, whose address is Edison Drive, Augusta, Maine, 04330, to place and maintain conduit, electrical cables, and appurtenances to provide electrical service to the above-referenced facility and to enter upon my property for the above purposes.

New England Telephone Company agrees to the following:

- 1) Assume any and all taxes associated with this terminal;
- 2) Indemnify and save harmless the Grantor, his heirs and assigns from any claim costs and liability arising from use of said premises;
- 3) Landscape said easement area and alter the external facade in accordance with the Grantor's wishes;
- 4) Upon completion of New England Telephone Company's use of and removal of its equipment from said easement area, all rights herein granted shall revert to the owner of record.

*Full execution of this agreement shall occur upon successful review and approval of the City of Portland of the proposed project and upon payment, as agreed to by New England Telephone and Telegraph Company.*

Witness my hand and common seal this 7th day of September, 1998.

Witnesses:

re: 94 Atlantic Street, Fiber Optic Station

Dear Ms. Bozenhard:

On November 19, 1998 the Portland Planning Authority granted minor site plan approval for a Fiber Optic Switching Facility located at 94 Atlantic with the following conditions:

- i. that the applicant install seven (7) feet long granite tipdown curb at each side of the proposed driveway entrance.
- ii. that the applicant reset the existing brick along the entire frontage of this property, which is approximately 64 linear feet.
- iii. that the applicant install trees between the building and the brick sidewalk along Atlantic Street.

The approval is based on the submitted site plan. If you need to make any modifications to the approved site plan, you must submit a revised site plan for staff review and approval.

Please note the following provisions and requirements for all site plan approvals:

1. The site plan approval will be deemed to have expired unless work in the development has commenced within one (1) year of the approval or within a time period agreed upon in writing by the City and the applicant. A one year extension may be granted by this department if requested by the applicant in writing prior to the expiration date of the site plan.
2. A performance guarantee in a form acceptable to the City of Portland and an inspection fee equal to 1.7% of the performance guarantee will have to be posted before beginning any site construction or issuance of a building permit.

*RE: 94 Atlantic Street – Fiber Optic Station*

Dear Ms. Talbot:

Enclosed please find the required bond information for our proposed Fiber Optic Station to be placed on Atlantic Street.

I have also enclosed a check in the amount of \$210.00 for the associated engineering fee as well as a check in the amount of \$376.00 for the inspection fee. It is my understanding that a building permit has been applied for and is waiting for your approval before being released.

If you need any additional information to close out this project, do not hesitate to call. Thank you for your help on this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Troy F. McDonald".

INDEMNITY INSURANCE COMPANY  
OF NORTH AMERICA

By: *Michelle V. Orlando*  
Michelle V. Orlando, Attorney-in-Fact

CIGNA

Know all men by these presents: That INDEMNITY INSURANCE COMPANY OF NORTH AMERICA, a corporation of the Commonwealth of Pennsylvania, having its principal office in the City of Philadelphia, Pennsylvania, pursuant to the following Resolution, adopted by the Board of Directors of the said Company on December 5, 1983, to wit:

- RESOLVED, That pursuant to Articles 3.18 and 5.1 of the By-Laws, the following Rules shall govern the execution for the Company of bonds, undertakings, recognizances, contracts and other writings in the nature thereof:
- (1) That the President, any Senior Vice President, any Vice President, and Assistant Vice President, or any Attorney-in-Fact, may execute for and on behalf of the Company any and all bonds, undertakings, recognizances, contracts and other writings in the nature thereof, the same to be attested when necessary by the Corporate Secretary, or any Assistant Corporate Secretary, and the seal of the Company affixed thereto; and that the President, any Senior Vice President, any Vice President or any Assistant Vice President may appoint and authorize any other Officer (elected or appointed) of the Company, and Attorneys-In-Fact to so execute or attest to the execution of all such writings on behalf of the Company and to affix the seal of the Company thereto.
- (2) Any such writing executed in accordance with these Rules shall be as binding upon the Company in any case as though signed by the President and attested to by the Corporate Secretary.
- (3) The signature of the President, or a Senior Vice President, or a Vice President, or an Assistant Vice President and the seal of the Company may be affixed by facsimile on any power of attorney granted pursuant to this Resolution, and the signature of a certifying Officer and the seal of the Company may be affixed by facsimile to any certificate of any such power, and any such power or certificate bearing such facsimile signature and seal shall be valid and binding on the Company.
- (4) Such other Officers of the Company, and Attorneys-In-Fact shall have authority to certify or verify copies of this Resolution, the By-Laws of the Company, and any affidavit or record of the Company necessary to the discharge of their duties.
- (5) The passage of this Resolution does not revoke any earlier authority granted by Resolutions of the Board of Directors adopted on June 9, 1953, May 28, 1975, and March 23, 1977.

do hereby nominate, constitute and appoint STEPHEN F. DUNLAP, JUDY L. NORING, MICHELLE V. ORLANDO, BLAIR E. TORELLI, JANET H. GIBSON and JOLINE L.
