Dear Mr. Duffy,

An evaluation of your property May 26, 2000 at the above location revealed plastic bags of refuse, scattered refuse, and uncovered trash containers.

It is required that all refuse be contained in rodent proof watertight metal or heavy gauge plastic containers in accordance with Sec. 22-13 of the Rodent and Vermin Control Ordinance.

A re-inspection will occur on June 30, 2000 at which time compliance will be required. Failure to comply will result in this office referring the matter to the City of Portland Corporation Counsel for legal action and possible civil penalties, as provided for in Sec. 1-15 of the Municipal Code. This constitutes an appealable decision pursuant to Sec. 22-21 of the Rodent and Vermin Control Code.

Sincerely,

Arthur Rowe
Code Enforcement Officer
