Heather, the owner information does not match. For this permit to be reviewed and issued, we will need information on the owner name/proof for right/title/interest. It is required on the permit as well.

Hello Building Inspections Department -

Attached you will find a general building permit application, acknowledgement of fast track code compliance responsibility form and the required drawings for work to be done at 54 Waterville St. We will remit payment immediately upon receiving the invoice, as you have indicated - please be sure to send it to my attention.

Thank you! Please let us know any questions.
Best,
Heather Kennedy
