Jay, we apologize, but due to a computer error in our system, this permit was shown to be ready to issue, and it was not. On 10/1, somehow, the system changed this permit to a fast track permit and it skipped the required reviews. We apologize for any inconvenience, however, this permit has NOT been issued yet.

Here is your issued permit. Thank you.

NOTE: One set of printed approved construction documents shall be kept at the site of work and shall be open to inspection by building officials. (Section 107.3.1 of the Maine Uniform Building and Energy Code (MUBEC)).

NOTE: Your approved plans will be sent under separate e-mail.
