Please accept this permit application for the Maine Boatbuilders show in March. I have attached the application and layout for all rooms. This is located at 58 Fore Street, all inside. We had our initial meeting with the City officials on Feb with Ted Musgrave, PPD, John Peverada and the city fire marshal. We do this every year, now in our 27th year. They are setting up inspection times with us. Thank you and any questions, feel free to call Joanna Sprague or Jason Curtis at Portland Yacht Services 207-774-1067
