

Bulletin

To/ Dustin Littlefield, Reed & Reed

Project Name: Ocean Gateway
Project No: 203438.11

Bulletin No: 33
Date of Issue: 8-04-2006

- Proposal Request**
Please submit an itemized quotation within 14 days for changes in Contract Sum and/or Time incidental to proposed modifications to the Contract Documents. This is not a change order or a direction to proceed with the work described herein.
- Architect's / Engineer's Supplemental Instructions (ASI / ESI)**
The work should be carried out in accordance with instructions provided below or attached with this bulletin without change in Contract Sum or Contract Time. Proceeding with the Work in accordance with these instructions indicates your acknowledgement that there will be no charge in the Contract Sum or Contract Time.
- Construction Change Directive (CCD)**
You are hereby directed to proceed with the work described below.
- Submit a proposal within 14 days.
 - No change to contract sum or time

Description: Discussions between MDOT, Reed & Reed, the City of Portland and the developer of The Longfellow project have taken place over the course of the past several months. The consensus of the group was to develop sketches of building utility services and revisions to curbing along Commercial and Hancock Streets that are a result of The Longfellow Project for pricing. Utility services will be stubbed out to the locations depicted on the attached sketches to avoid future excavation within the streets. We have been unable at this time to get proper guidance from the electrical and communications companies with regard to service locations and loads, but we plan to pass this information along as soon as it becomes available. We realize that water, sewer and drain main lines are installed, or are being installed at this time, so we do not want to hesitate to submit these sketches for pricing.

Please review the attached sketches and prepare a cost proposal to perform the additional work. The cost of the additional work will be borne on The Longfellow Project, therefore the Cost Proposal shall be addressed to:

Riverwalk, LLC. c/o Drew Swenson
2 Market Street, Suite 500
Portland, ME 04101

Please email the cost proposal to all those on the initial email distribution list.
