The Inspections Division has received your application, has done a preliminary completeness check of your documents. Before we can move forward with the submittal, there are some outstanding fees due on this account. Please consult Benjamin Bettez at 874-8721 (for fees). Once the outstanding balance has been paid, we can move forward with the permitting process. Thank you.

Subject: Re: Seaport Lofts Plumbing Permit

Terri, you didn't attach anything. Also, you need to wait until you receive an invoice. It will detail when/how you can pay.
