RE: 113 Newbury Street – Seaport Lofts
Permit #201401349 – Foundation Permit
Planning Board Project ID 2013-179
Addressing for 911 Purposes – Planning Board Condition #9

Dear Captain,

As requested, this letter is to provide you with a brief summary of the 911 addressing for the above referenced project to satisfy planning board condition #9 and for approval of a foundation permit. A full building permit submission will be forth coming which will include full Architectural, Structural, Civil, Mechanical, Plumbing, Electrical & Life Safety drawings as well for your review.

The physical address of this project is 113 Newbury Street and contains 39 residential living units. Each unit will be designated with the nomenclature where X is the floor number and YY is the unit number; for example the eighth unit on the third floor would be designated as unit 3.8, the twelfth unit on the fourth floor would be unit 4.12; all units would have this unit organization.

We are working on satisfying your requirements of approval; if you have any additional questions, comments or concerns, please do not hesitate to contact our office.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Matt Provencal', is written over a white background.

Matt Provencal, Assoc. AIA
Architectural Designer
Mark Mueller Architects
