Re: Seaport Lofts
 113 Newbury Street
 Portland, Maine

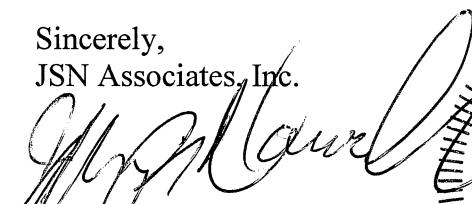

Subject: Structural Affidavit

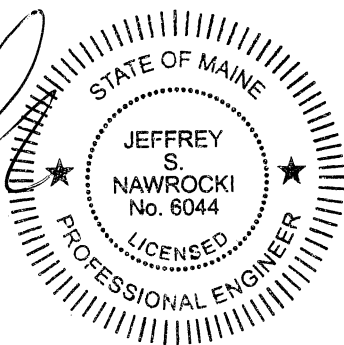

To Whom It May Concern:

I certify that, to the best of my knowledge and belief, the structural work performed for Seaport Lofts construction project, located at 113 Newbury Street, is in accordance with the structural drawings produced by JSN Associates, Inc.

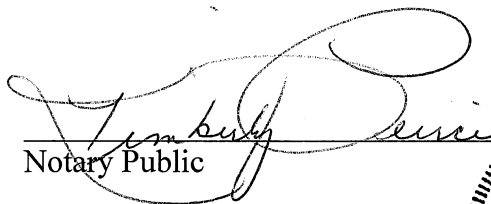

JSN Associates, Inc. has reviewed reports by the Special Inspectors throughout construction and has been involved in the construction administration through responses to requests-for-information, through production of revision sketches dictated by field conditions, and through revisions to the structural drawings as dictated by the Architect.

Sincerely,
 JSN Associates, Inc.
