To Whom It May Concern:

We are the owners of 83-85 India Street. Our property abuts the property at 66 Federal Street.

Since purchasing our building in 2010 we have been concerned about the physical conditions of 66 Federal. It appears to be uninhabited, and has been for many years. The exterior of the building is not maintained--attracting vagrants--and we are concerned that the inside is unclean and perhaps unsafe in terms of electrical and plumbing upkeep.

Our attempts to contact the owner of 66 Federal St (listed on Portland Assessors as Betty Pomroy) have been unsuccessful.

We would appreciate your involvement in making sure that the 66 Federal is up to code, therefore assuring us and other neighbors of public safety.
