Jeanie,

The statement will include reference to the IBC as well. Thanks.

Thank you Matthew,

I have a request, the IBC 2009 code Sec. 1704.12 is fairly prescriptive on special inspections of SFRM. Please modify this statement to include a reference to the IBC.

Thanks,

Jeanie

Good Afternoon Jeani,

Marc Gagnon of Landmarc Construction wanted me to inform you that R.W. Gillespie & Associates, Inc. (RWG&A) is performing materials testing and special inspections for the subject project. RWG&A will also be performing testing and inspection of the sprayed fire-resistive material (SFRM) that will be applied in the lower level parking area. At the completion of the project, RWG&A will issue a letter stating whether or not the SFRM was in general accordance with plans and specifications.

Best regards.
