Re: Signage

Mr. Foltmer,

The 16 Middle Street Condominium Association approves your request for signage on the façade of the 16 Middle Street mixed use building. Attached please find the following;

1. Exhibit A – Benkay’s requested sign design submitted by Bailey Sign
2. Sheet A2.01 and A.02

Sheet A2.01 and A.02 reference the location and allowable sf of signage allocated to each unit within the condominium association. The current design provided by Baily Sign meets the requirements of the association and therefore is approved.

Sincerely

Nathan Bateman
