Hi Jonathan,

I have started review of your application to convert the existing retail space at 166 Cumberland to a restaurant. I have one question - does your lease for the unit include the use of any of the parking spaces in the adjoining lot? The zoning ordinance requires that you have at least 4 off-street parking spaces available for your use, for a restaurant of this size.

Thanks,  
Chris

Thank you for your email. Yes we have 4 parking spaces plus the one handicap space for a total of 5 spaces.

Please let me know if you have any further questions.

Sincerely yours,

Jonathan
