LEASE

This lease is made as of this 1st day of February 2010 by and between **Seaside Partners, LLC** ("**Seaside or Landlord**"), a North Carolina limited liability company with an address of Box 3494, Portland, Maine, as Landlord, and **Blainor McGough**), with a principal place of business at 10 Mayo Street, Portland, ME, 04101 and mailing address *26 Park St* Portland, Maine 04102 as Tenant.

WITNESSETH:

1. **LEASE:** Landlord hereby leases unto Tenant, and Tenant hereby leases from Landlord a space identified as Main Floor and Upper Floor, and the lower level floor of the building located at 10 Mayo Street, Portland, Maine (the "Premises").
2. **TERM:** The term hereof shall be 12 months beginning February 1, 2010 and ending Jan 31, 2011. So as long as the Tenant is not in default of this lease at the expiration of the term, hereof, and with the approval of the Landlord, Tenant shall have the option to renew for an additional one year term or hold over on a month to month basis at rental rates and other terms as agreed to with the Landlord at least thirty days prior to the expiration of the term of the lease. A 10% annual increase will automatically go into effect upon renewal.
3. **RENT:** The base rent shall be as follows:
\$965.00 per month February 1, 2010-Jan 31, 2011 ~~February 1, 2011~~

Tenant agrees to pay the monthly rent to Landlord or to such other persons as Landlord may direct and at such place as Landlord by notice in writing to Tenant from time to time may direct. Rent is due in advance on the 1st of the month. Rent received more than 10 days late shall be subject to a 5% late charge.
4. **UTILITIES:** Tenant shall pay for heat and electricity, water and sewer, telephone, data transmission & garbage removal, yard maintenance and snow removal.
5. **TAXES:** Landlord shall be responsible for payment of any real property taxes. Landlord shall not be responsible for any and all personal property taxes levied or assessed and which become payable during the term hereof upon all Tenant's leasehold improvements, equipment, furniture, fixtures, and any other personal property located in the Premises. In the event any or all of the Tenant's leasehold improvements, equipment, furniture, fixtures and other personal property shall be assessed and taxed with the real property, Tenant shall pay to Landlord its share of such taxes within ten (10) days after delivery to Tenant by Landlord of a statement in writing setting forth the amount of such taxes applicable to Tenant's property.

6. **QUIET ENJOYMENT:** The Tenant upon payment of the rent herein reserved, and upon performance of all the terms of this Lease, shall at all times during the Lease term and any extension thereof peacefully and quietly enjoy the leased property without unreasonable disturbance from the Landlord. Tenant acknowledges and agrees that Landlord, during the term of this Lease, may begin work on the exterior of the building, including but not limited to foundation repairs, roof repairs, and painting; provided, however, that safe access will be provided to the building.

7. **MAINTENANCE:**

A. The tenant shall keep the leased Premises in a neat, clean and sanitary condition and in as good order and repair as at the commencement of the Lease, reasonable wear and tear excepted. Tenant shall not do anything to cause the leased Premises or the activities therein to violate any municipal, county, state, or federal law, ordinance, or requirement, and shall promptly act upon any direction of any officer of competent authority. The Tenant shall permit no waste with regard to the Premises. **Tenant shall make no permanent improvements to the Premises without the prior written approval of the Landlord;** such approval shall not be unreasonable withheld. Any such permanent improvements will become the property of Landlord upon termination of this Lease for any reason. No work which Landlord permits Tenant to do pursuant to this Lease, whether in the nature of erection, construction, alteration or repair, shall be deemed to be for the immediate use and benefit of Landlord so that no mechanic's or other lien shall be allowed against the estate of Landlord by reason of any consent given by Landlord to Tenant to improve the Premises. Tenant shall pay promptly all persons furnishing labor or materials with respect to any work performed by Tenant or its contractor on or about the Premises and shall prevent the filing of any mechanical liens against the Premises. In the event any mechanic's or other lien shall at any time be filed against the Premises or any portion thereof by reason of work, labor, services or material performed or furnished, or alleged to be performed or furnished, to Tenant or to anyone holding the leased Premises through or under Tenant, Tenant shall forthwith cause the same to be discharged or bonded after being notified of the filing thereof; and, in addition to any other right or remedy the Landlord may have, Landlord may discharge the same by paying the amount claimed to be due, and the amount so paid by Landlord including reasonable attorney's fees incurred by Landlord in procuring the discharge of such lien, together with interest thereon at one and one-half percent (1 1/2%) per month or any portion thereof, shall be due and payable by Tenant to Landlord as additional rent, provided, however, Tenant will be responsible for Landlord's aforesaid cost in discharging said lien only if Tenant has failed to bond off the same after Landlord's written demand that Tenant do so.

B. The Landlord shall keep the mechanical systems, and structural portions of the building of which the Premises are a part, which shall be defined to include exterior walls, foundation, floors, roof, and exterior glass, in good order and repair, and in the same condition as they are at the commencement of the term or as it may be put in during the term of this lease provided, however, that any such maintenance made necessary by fault or neglect of Tenant

or the employees or visitors of Tenant shall be at the expense of the Tenant and Tenant shall pay all costs therefor.

C. Landlord shall not be liable for any failure to make such repairs or to perform any maintenance unless such failure shall persist for an unreasonable time after written notice of the need of such repairs or maintenance is given to Landlord by Tenant. Except as provided in Articles 9 and 10 hereof and except in instances in which Landlord's work (as described in this paragraph) renders the Premises unusable for Tenant's use, there shall be no abatement of rent and no liability of Landlord by reason of any injury to or interference with Tenant's business arising from the making of any such repairs, alterations or improvements in or to any portion of the Building or the Premises or in or to fixtures, appurtenances and equipment therein. Tenant waives the right to make repairs at Landlord's expense under any law, statute or ordinance now or hereafter in effect. Tenant acknowledges and agrees that Landlord, during the term of this Lease, may begin work on the exterior of the building, including but not limited to foundation repairs, roof repairs, and painting; provided, however, that safe access will be provided to the building.

8. **INSURANCE**: Tenant agrees to and does hereby indemnify Landlord and save it harmless from and against any and all claims, actions, damages, liability and expense, including attorney's and other professional fees, in connection with loss of life, personal injury and/or damage to property arising from or out of the occupancy of use by Tenant of the Premises and Building or any part thereof or any other part of the property, occasioned wholly or in part by any act or omission of Tenant, its officers, visitors, agents, contractors or employees. Landlord shall not be responsible or liable to Tenant, or to those claiming by, through or under Tenant, for any loss or damage which may be occasioned by or through the acts or omissions of persons other than Landlord occupying space adjoining the leased Premises or any part of the Building, or for any loss or damage resulting to Tenant, or those claiming by, through or under Tenant, or its or their property, from the breaking, bursting, stoppage or leakage of electrical cable wires, water, gas, sewer, or steam pipes, or the leaking of the roof or exterior walls of the Building, or the seepage or flooding of ground or storm water into the Building. To the maximum extent permitted by law, Tenant agrees to use and occupy the Premises, and to use such other portions of the Building as Tenant is given the right to use, at Tenant's own risk.

Tenant shall not discharge, dump, locate or store toxic or hazardous substances, materials or waste, in, on or about the Premises, nor will Tenant suffer or permit toxic or hazardous substances, materials or wastes to be discharged, dumped, located or stored in, on or about the Premises except for those used in the ordinary course of Tenant's business and then only in accordance with all applicable laws, regulations and ordinances. To the extent that such substances, materials or wastes, or any by-products thereof, are currently located upon the Premises in any state or quantities that constitute, or may constitute a violation of, or require reporting or other remedial action under any law, ordinance or regulation, or might pose a threat to health or the environment, Tenant agrees to remove the same and to take any action

required by Landlord or by any governmental entity or any statute, ordinance or regulation with respect to the investigation, abatement, cleanup or mitigation of any toxic or hazardous substances, materials or wastes on the Premises, and Landlord, at its option, upon Tenant's failure to take such action upon demand of Landlord or governmental agency, may retain such experts and consultants at the expense of Tenant and may take such action with respect to investigation, abatement, cleanup or mitigation of any toxic or hazardous substances, wastes or materials in, on or about the Premises, as Landlord deems reasonably advisable. Any cost incurred by Landlord with respect to the investigation, abatement, cleanup or mitigation of any toxic or hazardous substances, materials or wastes in, on or about the Premises may at Landlord's option be charged to Tenant's security deposit and, if the security deposit is insufficient, shall be repaid to Landlord within thirty (30) days after written demand therefor, along with replacement of said security deposit as provided for in this Lease and Tenant's continuing breach hereof or failure to pay said costs or restore said security deposit shall be grounds for Landlord to terminate this lease. Tenant shall defend, indemnify and hold harmless Landlord in all respects in regard to its obligations hereunder.

At all times after the execution of this Lease, Tenant will take out and keep in force, at its expense:

- a. public liability insurance, naming Landlord as an additional insured, including insurance against assumed or contractual liability, with respect to the Premises, to afford protection to the limit, for each occurrence, of not less than One Million Dollars (\$1,000,000.00) with respect to personal injury or death. Said insurance shall provide for coverage of other tenants in the Landlord's Building who might be harmed or injured, or suffer property damage, as a result of any activities caused by or occurring on Tenant's Premises. The insurance policy shall protect and hold harmless Landlord from any and all claims of other tenants in the Building who are harmed as described above.
- b. all-risk casualty insurance, written at replacement cost value and with replacement cost endorsement, covering all of Tenant's personal property in the Premises (including, without limitation, inventory, trade fixtures, floor coverings, furniture and other property removable by Tenant under the provisions of this Lease), and all leasehold improvements installed in the Premises by Tenant.

Upon request at each annual anniversary of this Lease, and at any other time reasonably requested by Landlord, Tenant shall provide certificates of insurance evidencing Tenant's compliance with the above provisions.

Tenant will not do or suffer to be done, or keep or suffer to be kept, anything in, upon or about the Premises which will contravene Landlord's policies of hazard or liability insurance or which will prevent Landlord from procuring such policies in companies acceptable to

Landlord. Landlord agrees to carry throughout the term of this Lease public liability insurance, including contractual liability insurance, on the common areas of the Premises with a minimum combined coverage for bodily injury and property damage of One Million Dollars (\$1,000,000.00). Landlord also agrees to carry fire and extended coverage casualty insurance on the premises during the entire term of this lease, written by some reliable insurance company or companies authorized to do business in Maine.

9. **DAMAGE OR DESTRUCTION:** In case the Premises shall be damaged by fire or other casualty so as to render the same untenable in whole or in part for any period, a just abatement of rent shall be made until the same shall be repaired by the Landlord, provided, however, that in case the Premises shall be so badly damaged by fire or any other casualty that the Landlord shall not desire to rebuild, this Lease shall terminate at the Landlord's option, within 60 days of date of casualty, and rent shall be apportioned to the time of such termination. Landlord shall not be liable for interruption to Tenant's business or for damage to or replacement or repair of Tenant's personal property (including without limitation inventory, trade fixtures, floor coverings, furniture and other property removable by Tenant under the provisions of this Lease) or to any leasehold improvements installed in the Premises by Tenant, all of which damage shall be repaired and replaced by Tenant promptly, unless this Lease is terminated. Notwithstanding the foregoing, if the Premises are not restored completely by Landlord within sixty (60) days, Tenant may terminate the Lease upon giving written notice to Landlord, whereupon this lease shall thereupon be deemed to have terminated.
10. **CONDEMNATION:** In case the Premises or any part thereof are taken or condemned by a duly constituted public authority, this Lease shall, as to the part taken, terminate and all proceeds and awards shall be paid to the Landlord except as to any portion awarded for the property of the Tenant other than the Premises themselves. In the event that thirty percent (30%) or more of the leased Premises itself is taken, either Landlord or Tenant shall have the right to terminate this Lease upon the giving of notice in writing thirty (30) days in advance of the proposed termination date. In the event this Lease shall not be terminated as provided herein, rent shall abate proportionately as to the part so taken.
11. **ASSIGNMENT AND SUBLETTING:** The Tenant shall not assign, mortgage or encumber this Lease nor sublet nor permit the Premises or any part thereof to be used by others without the prior written consent of the Landlord in each instance, such consent not to be unreasonably withheld. Notwithstanding any assignment or sublease, Tenant shall remain fully liable on this lease, and in the case of an assignment, the assignee shall agree in writing with Landlord to be bound by and assume all the obligations of the Tenant under this lease.
12. **USE:** Tenant shall not use or occupy or permit the leased Premises to be used or occupied, nor do or permit anything to be done in or on the leased property, in a manner which will in any way violate any present or future laws or regulations of any governmental authority.

13. **SUBORDINATION**: This Lease shall automatically be subordinate to any mortgage deed, and/or other security indenture hereafter placed upon the Premises, and to any renewal, refinancing, modification, replacement or extension of such mortgage or security indenture or new security indenture, provided that the holder thereof agrees that so long as Tenant shall not be in default under this Lease, Tenant will not be disturbed from its peaceful, quiet enjoyment of the Premises. Tenant agrees to execute and deliver to landlord any instrument evidencing such subordination at any time and from time to time upon ten (10) days notice from Landlord.
14. **DEFAULT**: This Lease is made on the condition that if the Tenant shall fail to pay any rent provided hereunder, or shall fail to pay any other monetary obligation to Landlord as provided hereunder, within ten (10) days of its due date, or fail to perform any other obligation hereunder and such other failure shall continue for fifteen (15) days after written notice thereof by Landlord, or if the estate hereby created shall be taken on execution or other process of law, or if Tenant shall be declared bankrupt or insolvent according to law, or if Tenant shall make or offer to make, in or out of bankruptcy, a composition with the Tenant's creditors, or if Tenant shall make an assignment for the benefit of creditors, or if Tenant shall commit any act of bankruptcy, or if a receiver, trustee or other officer shall be appointed to take charge of Tenant's assets by any court, or if the Tenant shall hold over at the termination of this Lease as hereinabove provided, then and in any of said cases, notwithstanding any license of any former breach of covenants or waiver of consent in former instances, the Landlord lawfully may, in addition to and not in derogation of any remedies for any preceding breach of covenant, immediately or at any time thereafter, without prior demand or prior notice whatsoever, (a) terminate the Lease by notice in writing forthwith or on a date stated in said notice; (b) with or without process of law, enter into and upon leased Premises or any part thereof and repossess the same as of the Landlord's former estate; and (c) expel the Tenant and those claiming through or under the Tenant and remove its effects without being deemed guilty of any manner of trespass and without prejudice to any remedies which might otherwise be used for arrears of rent or preventing a breach of covenant, and upon entry as aforesaid, all rights of Tenant hereunder shall terminate; and Tenant covenants that in case of such termination, Tenant shall forthwith pay to Landlord all amounts then owing by Tenant to Landlord, and, in addition thereto, will during the remainder of the then-current term pay to Landlord on the first day of each calendar month the difference, if any, between the Base Rent, adjustments and percentage rent, and other monetary obligations of Tenant, which would have been due for such month had there been no such termination and the sum of such amounts being received by Landlord from occupants of the leased Premises, if any. Landlord shall make reasonable effort to secure a rent equal to the then-prevailing local rate for the Premises concerned. In addition, Tenant agrees to pay to landlord, as damages for any above-described breach, all cost of reletting the Premises including real estate commissions, costs of renovating the Premises to suit a new tenant, and costs of moving and storing Tenant's personalty and trade fixtures.

Tenant further agrees to pay and indemnify the Landlord against all legal costs and charges

including counsel fees reasonably incurred, in obtaining possession of the leased Premises after a default of the Tenant or after the Tenant's default in surrendering possession upon the expiration or earlier termination of the term of the Lease or of enforcing any covenant or obligation of the Tenant herein contained.

All amounts due from Tenant to Landlord and not paid in a timely manner shall bear interest at the rate of one and one-half percent (1 1/2%) per month or any portion thereof.

15. **DEFAULT BY LANDLORD/SELF-HELP:** Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant to Landlord specifying wherein Landlord has failed to perform such obligation; provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are required for performance then Landlord shall not be in default if Landlord commences performance within the thirty (30) day period and thereafter diligently prosecutes the same to completion. In no event shall Tenant have the right to terminate this Lease as a result of Landlord's default and Tenant's remedies shall be limited to actual damages, Tenant hereby waiving all special, consequential and punitive damages.

In the event of a dispute between Tenant and Landlord, Tenant shall not be permitted to withhold all or any part of the rental payment then due unless and until a court of competent jurisdiction has so ruled. The acceptance of a check by Landlord for a lesser amount with an endorsement or statement thereon, or upon any letter accompanying such check to the effect that such lesser amount constitutes payment in full shall be given no effect and Landlord may accept such check without prejudice to any other rights or remedies which Landlord may have against Tenant.

16. **ACCESS:** The Landlord and its officers, agents, or employees may enter the leased Premises at any reasonable time for the purpose of inspecting the property, showing it to prospective tenants, performing any work which the Landlord elects to undertake, or such other purposes as Landlord shall determine, provided same does not unreasonably interfere with the quiet enjoyment of Tenant.
17. **NOTICES:** Any notice or communication relating to this Lease shall be deemed duly given if in writing and either sent by certified or registered mail, return receipt required, postage prepaid or hand delivered to Landlord's office or Tenant's office.
18. **SIGNS:** Tenant shall not place or suffer to be placed or maintained on the exterior of the leased Premises or of the Building any sign, advertising matter or other thing of any kind, and will not place or maintain any decorations, letters or advertising matter on same or on the glass of any window or door of the leased Premises except in conformance with the design and signage ordinances of the City of Portland and with the prior written consent of the Landlord.

19. **BROKERS**: Tenant warrants that it has had no dealings with any real estate broker or agents in connection with the negotiation of this Lease.
20. **PARKING**: N/A
21. **SMOKING**: Tenant shall not permit its employees to smoke in the building. Those who smoke outside the building shall do so at least 50 feet away from the Premises and will properly dispose of any smoking materials.
22. **MISCELLANEOUS PROVISIONS**:
- a. Subject to the foregoing, the covenants and agreements of Landlord and Tenant shall run with the land and be binding upon and inure to the benefit of them and their respective heirs, executors, administrators, successors and assigns, but no covenant or agreement of Landlord, expressed or implied, shall be binding upon any person except for defaults occurring during such person's period of ownership nor binding individually upon any fiduciary, any shareholder or any beneficiary under any trust.
 - b. If Tenant is more than one person or party, Tenant's obligations shall be joint and several. Unless repugnant to the context, "Landlord" and "Tenant" mean the person or persons, natural or corporate, named above as Landlord and Tenant respectively, and their respective legal representatives, heirs, personal representatives, successors, and assigns.
 - c. Landlord and Tenant agree that this Lease shall not be recordable
 - d. If any provisions of this Lease or its application to any person or circumstances shall to any extent be held invalid or unenforceable, the remainder of this Lease shall be considered valid and enforceable, and effect shall be given to the intent manifested by the portion held invalid or unenforceable.
 - e. The waiver by Landlord of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any preceding default by Tenant of any term, covenant or condition of this Lease, other than the failure of the Tenant to pay the particular rent so accepted, regardless of Landlord's knowledge of such preceding default at the time of the acceptance of the rent.
 - f. This Lease contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, and no prior agreements or understanding pertaining to any such matters shall be effective for any purpose. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their

respective successors in interest. This Lease shall not be effective or binding upon any party until fully executed by both parties.

g. Tenant shall at any time and from time to time, upon not less than three (3) days prior written notice from Landlord, execute, acknowledge and deliver to Landlord a statement in writing (a) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease as so modified is in full force and effect), and the date to which the rent and other charges are paid in advance, if any, and (b) acknowledging that there are not, to Tenant's knowledge, any uncured defaults on the part of the Landlord hereunder, or specifying such defaults if any are claimed, and (c) setting forth the date of commencement of rents and expiration of the term hereof.

h. This Lease shall be governed by the laws of the State of Maine.

i. This Lease is subject in all respects to the terms and conditions of the Declaration, as the same may be amended, modified, superseded or replaced from time to time, and any rules and regulations promulgated thereunder, and such terms and conditions are incorporated herein by reference.

j. **Authority of Tenant:** If Tenant is a corporation, each individual executing this Lease on behalf of said corporation represents and warrants that he is duly authorized to execute and deliver this Lease on behalf of said corporation, in accordance with the By-laws of said corporation, and that this Lease is binding upon said corporation.

k. Each party hereto, on behalf of itself and any party claiming under it, whether by subrogation or otherwise, releases and waives any claim or right of recovery against the other party hereto for any loss to the extent such loss is covered by said party's insurance and each party shall, where reasonably possible, procure an endorsement to all insurance policies whereby its insurer recognizes that the parties hereto have waived such rights of recovery.

l. **Security Deposit:** \$1200 shall be paid to the Landlord upon execution of this Lease to be held as security for the full, faithful and punctual performance by Tenant of all lawful covenants and conditions of this lease, including the obligation to pay rent; it being understood that said deposit is not to be considered prepaid rent, nor shall damages be limited to the amount of such security deposit. Upon termination of this lease the security deposit may at Landlord's discretion be used to pay for repair of any damage to the premises, and/or to pay any unpaid rent due Landlord from Tenant with the balance of the security deposit, if any, returned to Tenant.

m. **Right of First Refusal:** In the event that Lessor wishes to sell the premises during the term of this Lease, Lessor shall first offer the premises to Lessee by written notice containing the proposed terms of sale. Lessee shall either accept or reject those terms within 20 days of

notice. If accepted, an additional 30 days shall be permitted for closing; if not accepted, this right of first refusal shall terminate. This right of first refusal shall terminate upon breach of this lease by Tenant.
