Desiree -

I talked to Mike Russell about this and he said that he was fine with the reimbursement of \$80 for an outdoor seating permit. It was a renewal permit for outside seating at 171 Cumberland Ave., for Ten Ten Pie. Marcos Miller paid \$160 for 80 sf of outside seating area like last year but when Chuck went out the site he asked that the area be reduced to 40 sf which would be an \$80 fee.

Marcos sent an email requesting to be reimbursed the amount that he overpaid which would be \$80. I have attached his email and the invoice. Although his email states that the cost is reduced by \$40, it should be \$80.

He asked that the check be made out to Ten Ten Pie, LLC and mailed to 171 Cumberland Avenue, Portland, 04101

If you have any questions please talk to Mike.

Thanks.

Ann
