Dear Scott,

Thank you for meeting me for the re-inspection at the above-referenced property on July 7, 2009.

This is to certify that you have complied with our request to correct the violation(s) of the Municipal Code relating to housing conditions noted on the attached report. As we discussed, the approved building permit to rebuild the side entry steps requires separate inspections. The violation will be corrected at the completion of the work and final inspection.

I spoke with Cptn. Keith Gautreau from the PFD and there is record of a plan of action for the fire doors from 2008. Please contact Ben Wallace @ 756-8096 to follow up with that agreement.

This notice is intended to document that you have corrected the specific violations previously noted. It is not intended to indicate compliance with other City regulations, it also does not imply that the structure or premises is violation free.

Thank you for your cooperation. If you have any questions, feel free to contact me at this office.

Sincerely,

Jeanie Bourke @ (207) 874-8715
