RE: 13 Mayo St.
CBL: 022-J-012

Dear Sir/Madam:

On May 18, 1999 Lt. McDougall of the Portland Fire Department and myself inspected 13 Mayo St in regards to public safety and the structural condition of this building.

After our inspection, it is our opinion that this structure is a dangerous building as per state law 17 sec. 2851, and would constitute a very serious danger to the safety and life of anybody entering this building. This building sustained this damage during a fire on February 26, 1999.

If you have any questions on this matter please call me at 874-8704.

Sincerely,

P. Samuel Hoffses
Building Inspector
City of Portland
