Subject: Re: Letter of approval

Hi Luke,
We would need a certificate of insurance for sure.
With that said if you want to, go ahead.

Hi Doug,
I have a person that wants to set up a small food cart a few days a week in front of our
space . She just needs a letter of approval from the landlord for the city. If this is ok with
you would you mind writing such a letter? Her name is Gloria Pearse. A very brief email
would be enough,
Thanks
