Hi Ann,

Here is a complete resubmission, which should simplify things:

- This app only includes the freestanding and banners. Hopefully, these can be permitted asap.
- I'll submit the wall signs separately, via the variance process
- Attachment method of banners included
- Yes, the existing freestanding will remain in place. There will be no new monument sign. (When the customer wanted to proceed with permitting, they weren't sure which option to go with. They have since decided upon the freestanding.)

Thanks,

*Jeff Glidden*
