Good morning Nelle,

Per Ann's email below. We would like to apply for Wavers for the following:

1. The use of internally-illuminated signs as submitted and common practice in the Bayside area;
2. The use of individual ground floor tenants sign on both street and trail side of the buildings of which there is precedence at properties facing Marginal Way and the Bayside trail. (see my email below).

As Ann suggested, can you please explain and help guide me though the waiver process for these two items?

Thank you for your help Nelle.

Ben
