REMARKS:

Good Afternoon,

On behalf of Franklin & Somerset Portland, ME, LLC we are pleased to submit the following information for the proposed parking lot improvements at Whole Foods Market in Portland, Maine. Please follow the link in this email to download the Site Plans, Application, and Impervious Exhibit.

Gregg Mikolaities, from our office, met with Jeff Levine and Rick Knowland on December 10th to discuss these improvements. At that meeting they advised that these changes, if under 7,500 sf of additional impervious area, could be reviewed administratively.

The required \$50 dollar review fee will be mailed to the Inspections Office.

Please let me know if you need hard copies of the attached materials and we can arrange to have them delivered to you.

Please contact me with any questions you may have.

Sincerely,

Ken Mavrogeorge
