| CONDITIONS TO THE SIGNAGE APPROVAL: | | |
| <ol style="list-style-type: none">1. Only non-corrosive/non-galvanic acting anchors may be used. On masonry buildings, the anchors must be set into mortar joints, not into masonry faces. The Applicant must verify the structural adequacy of sign, brackets, anchors, and structure to which anchors are attached.2. The sign must be designed to comply with all of the sign standards which apply to the signage location, e.g.: City/Town requirements, P.A.D. special conditions, Interstate Regulations, and BOCA or IBC.3. This sign is the personal property of the Applicant and its installation and maintenance are the responsibility of the Applicant. The Applicant should speak to its insurance agent about adding coverage for the sign.4. Tenant hereby agrees to maintain all signage in first class condition during the period of its use and promptly to undertake appropriate repairs or replacement upon written request to do so by Landlord.5. Landlord reserves the right to have Applicant remove the sign at the end of the tenancy or earlier, in Landlord's reasonable discretion. If requested to remove the sign and any related electrical materials, Applicant must remove the sign, electrical materials, and any brackets or anchors; patch any holes, and touch up paint (in the signage and electrical materials areas).6. If requested to remove a free standing sign panel, Applicant should reinstall the panel which was removed during the original installation, or, with the Landlord's written approval, remove (carefully) the vinyl graphics from the plexi-glass panel and reinstall / leave the blank panel.7. All provisions of Applicant/Tenant's lease (including Tenant's indemnity and insurance provisions) apply to the sign. | | |
