Hi Barbara

I understand that you have a question about the use of the lot that we proposed leasing to Baxter Academy. The property has not received any specific site plan approvals. We have operated that area as a gravel parking lot for decades for the benefit of the existing building and have from time to time leased parking there (Whole Foods employees parked there for several years.) I hope this is an adequate explanation.

Let me know if you have any other questions.

Regards,

Morris
