

Baxter Academy Renovation CM Plan

185 Lancaster Street – Portland, ME

Description of Work

- The project is an interior renovation to an existing building, which will require minimal to no impact to the City of Portland's parking/traffic.
- As outlined in 'Blue' the project's dumpster(s) will be located at the back of the building along Kennebec Street.
- No project trailer will be required.
- Any task specific work that needs additional consideration will be coordinated directly with the City.
