Project description/scope of work (attach additional pages if needed):

Temporary Restrm structure & temp structure for patron lockers- accessory structures to adjacent Homeless Shelter at 203 Oxford st. An ADA restroom is located less than 30 ft away, so the restroom is not intended to be ADA accesible. The locker structure will be ADA. These are converted shipping containers. The restrooms are heated & ventilated. The locker structure will not be heated. Both structures will have 5' wide bituminous ramps to entry doors. Electrical work in the locker structure will be completed on site. Foundations for both structures will be per details on sheet A1.
