Service Comments

Tech Comment: Good morning,
 I completed your scheduled pest service today.
 Sheldon said the tennant had reported bed bugs and mice.
 I see no signs of bed bugs today. I treated beds and the perimeter of the unit with a liquid material.
 I found mouse droppings under the sink and next to the oven. I showed these to Sheldon and he is going to place that he has later today.
 Thank you for choosing Modern Pest Services and have a great day.
 Zach
