RE: Cellar space @ 292 Cumberland Ave (026-C-018)  
Building permits # 001262 & #001395

Dear Mr. Clark:

It has been brought to our attention that the locksmith shop has vacated the premises, referenced above. As the conditions required for a Certificate of Occupancy under the above permits, were never met, we consider that the above referenced permits are now null & void.

We are classifying this space as **unoccupied cellar space**.

Any future use of this space, other than **vacant cellar space**, will require proper permits to be applied for and issued, before any occupancy can occur.

If I can be of any further assistance to you in this matter, please do not hesitate to contact me @ 874-8708.

Sincerely,

Kevin Carroll Code Enforcement Officer  
CEO City of Portland
