

I, James W. Ashe, of 2804 Plainridge Loop, The Villages in Sumter County, Florida, am a former owner of 59 Myrtle Street in the city of Portland, located in Cumberland County in Maine. I owned 59 Myrtle Street from June 7, 2002 to June 10, 2004. Prior to my ownership it was owned by multiple members of my wife's immediate family, including my brother-in-law John Cavallaro (who was executor of my father-in-law's estate) and my in-laws Antonio and Dorothy Cavallaro, who purchased the building on April 29, 1958 and owned it until they died. During the time my wife's family and I owned this building, it always had 3 apartment units and they all were in existence prior to April 1, 1995.
