RE: 59 Myrtle Street building permit application CBL: 026 K002

Dear Mr. Ashey:

I have made several attempts to reach you by telephone, but have not been successful.

Please note that your building permit application to change the use of the above-referenced property from a 2 unit to a 3 unit is incomplete. In order to process your application, we need the following documentation to be provided by you:

- Existing and proposed floor plans for all floors, showing stairways, hallways, doorways, windows, as well as room layout.
- Complete construction detail for creation of the 3rd unit, including window sizes, and any new stair detail
- Plot plan showing existing structures, lot lines, and parking space location and

Once we have this information we can begin processing your application. Please feel free to contact me with any questions, or if I can be of any further assistance.

Sincerely.

Karen Dunfey
