Hi Tommy,

This will be an acceptable time frame to the Fire Prevention Bureau. I will have Tori (Admin) put this into a form for me to sign and enter it into our system. We will do some follow up in two months to see how progress is coming. Please call Tori in two months to set up a time for us to come look at the progress.

Tori extension is 874-8400.

Thank you for working with us on these Life Safety violations.

Regards,
Keith
