Barbara,

In reference to 50-52 Wilmot Street, we will be removing most of the pavement in the driveway, only leaving enough for one off street parking space at the entrance. The remainder of the space between the buildings will be planted with trees, shrubs, grass and perennials around the walkways. In the center of the garden we will be installing a fountain. If you need additional information, please let me know.

Hi Crandall:

Thank you for clarifying the project for me. As we discussed, please send me your description of the site improvements for this project.

Thank you.

Barbara
