Dear Mr. Toothacker:

STOP WORK ORDER

An evaluation of the above-referenced property on 05/25/2007 revealed that site work was being conducted which exceeds the approved site plan. In particular, parking area construction and soil disturbance. This site work requires approval by the City of Portland.

Appropriate approvals have not been issued for the work listed above, therefore all site activity at that property must **STOP** immediately. This is a **STOP WORK ORDER** pursuant to Section 14-523 and 14-528(b) of the Land Use Code of the City of Portland.

Failure to comply will result in this office referring the matter to the City of Portland Corporation Counsel for legal action and possible civil penalties, as provided for in Section 6-1 of the Code and in Title 30-A of M.R.S.A. Section 4452. This constitutes an appealable decision pursuant to Section 112 of the City of Portland Building Code.

If you wish to discuss this matter, or you have any questions, please feel free to contact me.

Sincerely,

Tammy Munson @ (207) 874-8706 Code Enforcement Officer / Plan Reviewer
