Attn: Captain Christopher Pirone
Fire Prevention Bureau
Portland Fire Department
380 Congress Street
Portland, ME 04101
Fax#: (207) 874-8410

Dear Captain Pirone,

This letter is to inform you that on October 3, 2011, we programmed and tested all the horn/strobes, pull stations smoke detectors, sprinkler flow switches and sprinkler tamper switches on the first floor at the 443 Congress Street Building in Portland, ME. These devices were programmed and test to NFPA 72 standards and test signals were sent from these devices to our Central Monitoring Station. These devices were found to be fully functional at that time.

Should you have any questions or comments regarding this matter, please feel free to contact me at (207) 846-3350.

Sincerely,

Ronald S. Sneider, Manager
