

Accessibility Building Code Certificate

Designer: Winton Scott Architects, PA

Address of Project: 443 Congress Street, Portland, Maine 04101

Nature of Project: Partial renovation of existing building and conversion to 28 residential units on floors 4 thru 7

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
