June 16, 1981

Ram and Company
103 Exchange Street
Portland, Maine 04101

Re: 415 Congress Street

Attention: Mr. Anthony Payne

Dear Sir:

On the fourth floor of above address, there were some electric heaters installed temporarily on romex wire. I find these units are still in use.

This is an illegal wiring method for any permanent installations and must be changed. Please see this is done by the end of June.

Very truly yours,

Richard I. Libby
Electrical Inspector
