RE: PIP Printing Expansion

To whom it may concern,

This letter is to inform you that the doorway that PIP Printing has put in to join 417-419 Congress St. was not put through a supporting wall. Also they have not added any additional heavy equipment to the space that may put any excess pressure on the floor. We are very pleased with the work that PIP Printing has done. If you have any questions please feel free to call.

Sincerely, Timothy Flannery
