RE: Board Approval of signage for buyer of unit 101 (001) 21 Chestnut Street

Dear Michael:

In regards to your email of 10/12/2016 for the updated sign proposal for your client who is purchasing unit 101 (001) 21 Chestnut Street, the Board of Directors is providing their approval as proposed for the one sign (Option 2), 4 feet wide by 3 feet high, with the stainless steel bracket in a minimalist style similar, if not identical to that used at Peace Market, to be placed on the Cumberland Street side to the left of the "Chestnut Street Lofts" wording on the façade of the building.

If you have any questions, please feel free to contact me. Thank you.

Sincerely,

Mark Marquis  
Condominium Property Manager  
On Behalf of Board of Directors for 21 Chestnut Street Lofts
