Informational Meeting on Historic Preservation in the India Street Neighborhood

Monday, July 13, 2015

Public Neighborhood Meeting, 6:00 – 8:00 pm

Maine Jewish Museum, 267 Congress Street

Neighborhood property owners, business owners, and residents are invited to attend an informational meeting about Historic Preservation in the India Street Neighborhood. Historic Preservation was identified as a neighborhood goal in the India Street Sustainable Neighborhood Plan.

City staff will present possible tools to encourage or ensure preservation of historic buildings in the neighborhood and how they have worked in other Portland neighborhoods. Feedback, questions, and comments will be taken about these options. All are welcome – free and open to the public.

Comments and questions may be directed to Deb Andrews, Historic Preservation Program Manager, City of Portland, (207) 874-8726 or dga@portlandmaine.gov
