Hi Sandy

WPOR added a last minute tent at their stage on Middle/Temple street. Could you please add this to our application? There is construction so we had to wait for the fire dept to sign off on moving the stage and where it got moved gave them room for a tent instead of an RV so that's why it's so late. I'm sorry!!

Please find the attached Fire cert, the plot plan and the dimensions are 15 x 15.

Please let me know if you need any other information?

Thanks! Best

Sally
