Hello Ann,

Attached is the site plan for 385 Congress Street.

I spoke with Tom Moulton and he said they are using the whole building.

There is a desk in the office by no one sits there.

They just go into the building in the morning to pick up their tools and head off for the day.

It's a property management business.

An yes inside the garage is lined off as is the parking lot.

Let me know if you have any more questions.

Sue
