Ann,

Thank you for looking at our applications so soon.
The truck dimensions must not have been transferred from the documents I sent originally.

Our truck is 26 feet long, 10 feet wide with the awning extended and 11 feet high.
You have been very helpful as a point person for this whole process.
It is very much appreciated.

Kind Regards,

Karl Deuben

Karl -

The only thing that I need to be able to sign off on both permits is I need you to email me the dimensions of the food truck. The width should include any side extension or awning.

Thanks.

Ann
